A Quick Detour

Optoro: The Big Picture

1.4M lbs

diverted from landfill

by giving retailers a solution to manage
and resell inventory in the most effective way

8.3M lbs

of carbon emissions prevented

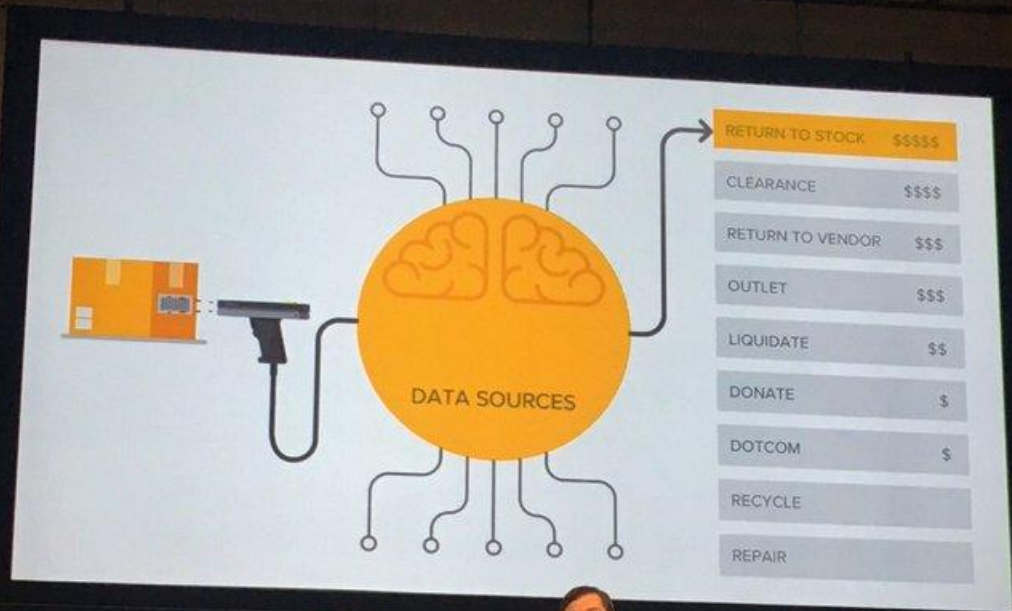

by reducing transportation and increasing
efficiency in the reverse supply chain

179K lbs

of products recycled at end of life

through our national network of certified recyclers

From BLINQ to the new default.

And the snowball effect.
